ABOUT US

Founded in 2003, Sustainable Ballard, a blueprint for Everytown, USA, educates, inspires, and engages neighbors to take action to live more sustainably both individually and collectively. Our vision is an inclusive, joyful, sustainable community co-creating a world for this and future generations where eco-systems are healthy and peace is inevitable.

FESTIVAL SPONSORSHIP

BENEFIT BREAKDOWN

This year we are partnering again with Loyal Heights Community Center to present our annual popular festival event. The hallmark of the Annual Sustainable Ballard Festival is highly engaging and interactive exhibits in a "No Sales" environment. This model supports our sponsors with long-term customer relationship building. If this suits your brand, and your business is local & sustainable, we invite you to join us!

Sponsorship support helps us to cover costs of this free public event and to provide quality education to the community throughout the year. Your sponsorship also offers you a low cost/high value publicity opportunity. Donations and sponsorship from the Sustainable Ballard Festival make up about 30% of our net annual income.

*EXCLUSIVE

This small outdoor venue limits us to 40 exhibitors. Our sponsorship application requests a description of the interactive nature of your exhibit. Because of our limited space, exhibitors without an interactive element may not be accepted this year. Examples include: sample giveaways, quizzes or games, prize wheels, make your own DIY items, health checks, etc.
